Dear Richard:

Just wanted to express my appreciation for the services National Mechanical Services has provided to Carlyle Construction Corporation through the many years of our association. Finding qualified contractors with the efficiency and professionalism your company has provided is not an easy task in today's marketplace. You have always kept commitments, met all deadlines, and in short, gone the extra mile to service our properties.

---

I especially commend you and your staff. It has been a pleasure to work with your firm for so long and we look forward to continuing our working relationship for many years to come.

Thank you,

Michael Dimson  
President
